Principal’s Report

A summary of the Thought Exchange information has been put into a [Wordle](#) to create a visual representation of the information input by Parents, Staff, Students and others. The next step is to work with the staff to create a Mission Statement representing the PHSS Vision.

During Exam week, the exam times and attendance details were inconsistent, caused partly by the input of information typically done in June which was affected by the Teacher’s strike. This will be remedied prior to exams in June.

Adjournment:

Motion by Lauren Martineau 8:25pm

Next Meeting:

Tuesday, March 10, 2015
