

Grad Minutes- November 2018

Grad Information:

Scholarship report

-Scholarships will be handed out to student in January. Having a resume and reference letters ahead of time can help the process.

-Lots of external scholarships available. When we receive them they will be posted on the PHSS.ca page

Aftergrad Planning

Finances- Balance of \$6,611.08 (Really \$5,511.08). Some money from last year. Looking to purchase an item to help grad classes for years to come. Curtains or runner are suggestions for gym.

Fundraising. All fundraising must be approved by the school. Forms are available in the office.

Basic target of money discussed. Approximately \$15,000. Could be a bit less depending on events.

If bigger changes are planned they need to be done soon. Venue or event etc. If it is the same basic plan as previous years we are better to start booking entertainment soon. Don't need full consensus, just a proportion of students.

Student specific meetings will begin to take place every two weeks and as needed.

Committees

Food.

Decorations

Next Meeting Date: Dec. 11, 2018
