- Considerations: Do the grads want life touch to take pics of grads individually? If so, this is \$400 and can be ordered

This was supported by the parent group

- Do the grads want to fundraise their cap/gown fees? (40 grads @ \$25= \$1000)

If money is available this will be taken from the grad budget.

** Note- these are not in the current budget****

- The grads have talked and voted on the possibility of a prom after the Dry Grad Event. When would this happen, where, who would be invited?, etc, cost, would grads pay each person for this or is this something that they would need to fundraise for? Geo is willing to ask Kwa-lilas for quote once some decisions are made as to what grads would like.
- Decoration Committee- their vision and need to buy decorations. Are they ready to do this?
Monika/Christine

There was discussion about buying lights. Where are we at for this? Will this be a separate budget?

Are the grads wanting to rent those black covers?

Does Ang need to order more chocolates? Easy fundraiser 😊

There are leftovers in kitchen from grade 7 basketball (yogurt tubes, j boxes, rice crispy squares). Should we buy hotdogs and have a concession at PHSS

-Will discuss with student grad group.

We have 100 more pounds of fish from Keltic and we have desserts in the freezer, drinks leftover. Should we do another fish fry?

-May plan for an event in early May.

We have tubes of hamburger leftover to do spaghetti dinner/lunch from the taco lunch.

Other ideas that parents/grads would be willing to take on.

-no other ideas suggested.
